

Maidenhead - Butterfly List – 2016

All these butterflies have been seen in the last 12 months in Maidenhead by experienced butterfly monitors from Wild Maidenhead including Martin Woolner, Andrew Padmore and Brian Clews. These photographs have all been taken in Maidenhead by Andrew Padmore and Brian Clews. One of the best places to see many of these butterflies – up to 25 species – is on a sunny day from May-August in the open areas in **The Thicket**.
